

Open Space volunteer programs run on an annual basis, with recruitment and applications being taken after January 1st, and interviews and training occurring during March and April. We usually hold a new volunteer recruitment open house event sometime during the winter.

If you're interested in receiving an invitation to the open house, please call (303) 271-5971 and leave your name and mailing address. Please spell your name and street name. You can also request an invitation by emailing: osvol@jeffco.us with the same information; please include the words "New Volunteer Open House" in the subject line.

Online information and applications for our 2010 ongoing volunteer programs will be available on this website in January.

Open Space outdoor group and public volunteer project days are concluded for this season. If you're interested in scheduling a group project for 2010, you may call or email using the information above.
